EACH image ordered is charged the Pull Fee: \$9.50

Normal turn-around time is approximately 2 weeks. RUSH order's turn-around time is subject to NARA (3-5 day pull time) plus **Photo Response** work load. Call or email first for approval, **all RUSH orders are charged 100% additional of reproduction fee.** Rush orders are most often shipped via your FedEx and digital files by Internet.

All delivered prints are reproductions. We use the finest materials available. All images are reproduced from NARA (National Archives and Records Administration) images. The NARA supplied images may be copies as well. We have no control over what is supplied to us for reproduction. As you are aware, old images may have faded and some reproductions may show this aging and they may have marks, scratches or dust that were on the original. Unless otherwise directed, we print or scan the entire frame just inside the frame edge as received from NARA.

What to do if you need help...

- If you are looking for information on how to locate a special image follow these simple suggestions:
1. Search the Internet website. <http://www.nara.gov> (note: do **not** use the "ARC" number found on that site)
 2. Check Photo Response website for a list of helpful links to some common NARA select lists.
 3. Contact the Still Picture Office at NARA (301-837-3530)
 4. Call our office for additional advice and help. (301-948-5212)
 5. We offer research services for \$50/hour, minimum 4 hours, plus any photocopy and mailing charges.

Prices subject to change without notice.
